Dear Olympia Kiwanis:

It was great to have this fabulous opportunity to attend the Kiwanis Law Enforcement Youth Camp at the State Patrol Academy in Shelton on the week of July 19-25, 2015. Some of my favorite classes were the Mobility in Policing class, the Hostage Negotiation class, the Internet Bullying class, and the Interview and Practical Boards class. These classes taught me alot about Law Enforcement, and how to be a great public server to the community. I learned that you always have to have your buddy's back in the line of duty. I appreciated those tips alot. I never realized before all the potential I have to be a great Law Enforcement officer. After watching how all the officers work together, I feel more motivated now to work hard as a team. No matter who it is you have to care for them, and be ready to take a bullet for them no matter when. I really enjoyed coming to this camp, and getting the opportunity to learn what it is like to be a cadet in the Academy.

I am so thankful for the people who risk their lives every day to make sure my family and I are safe. Thank you so much for fully supporting me, and giving me the opportunity to go on this awesome journey.

Sincerely,

Clementine Schultz
