

Civil Applicant/MAP Fingerprint Process

Key:

FP – Fingerprint
 DOB – Date of Birth
 LE – Law Enforcement
 MAP – Misc. Applicant

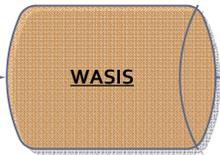

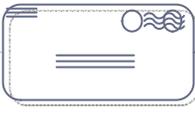

Fingerprint Card
 Manual Ink and Roller
 Hardcopy Fingerprint

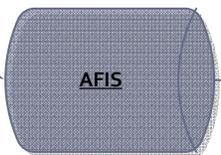

Or

Live Scan
 Electronic Fingerprint

Fingerprint manually scanned into AFIS and demographic information automatically input into AFIS

FP and demographic information electronically input into AFIS

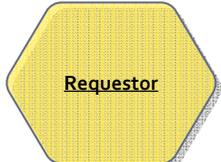

Quality assurance (QA) review

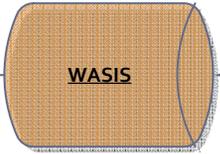

Notification of rejected FP is emailed to requesting agency

Rejected FP sent back to Agency or LE for Resubmittal

AFIS interfaces with the latent system to check for a FP match. This match is only done if a fingerprint replacement had been performed.

Existing WASIS FPs are replaced by new FPs

Or

Technicians verify information in AFIS

AFIS interfaces with WASIS to check for existing Name and DOB.

Accepted FPs are sent to the FBI for a Federal criminal history check
